

# Office of Accessibility Services

The Office of Accessibility Services (OAS) provides support for WPI students with documented disabilities to equally participate in programs and campus life by putting approved accommodations in place. OAS strives to foster an environment that supports and encourages self-advocacy, independence, and personal growth. Accommodations can be provided to students with disabilities that are permanent in nature as well as temporary when injuries have occurred. More information on how to disclose a disability, documentation guidelines, and general office information can be found at: [www.wpi.edu/+accessibility](http://www.wpi.edu/+accessibility).

OAS services are confidential and available to any student enrolled in a WPI course. Students seeking accommodations or services are responsible for identifying themselves to the OAS as well as providing documentation of their disability by a licensed professional.

OAS is located on the 5<sup>th</sup> floor of Unity Hall and is open Monday-Friday 8am to 5pm. Please call the office at 508-831-4908 or email [accessibilityservices@wpi.edu](mailto:accessibilityservices@wpi.edu) to schedule an appointment.
